## THE NEW YORK WORLD THIRCE-A-WEEK EDITION

Read Wherever the English Language is Spoken.

The Thrice-a-Week World long ago established itself in public favor, and it is now recognized as the strongest publication of its kind in the United States. Advertisers and publishers seeking clubbing combinations—and they know best—universally testify to this. It is widely circulated in every State and Territory of the Union, and even in remote South Africa and on the gold fields in the deserts of Australia. These are the things that tell.

Next year we have the Presidential campaign, in which all Americans are deeply interested. Already the issues are being discussed and the two great parties are preparing for the first moves. You will not want to miss any details, and if you subscribe now your year's subscription will cover the campaign from beginning to end.

The Thrice-a-Week World is also entirely fair in its political news. Partisan bias is never allowed to affect its news columns, the Democrat and Republican alike can obtain in its pages truthful accounts of all the great political contests.

In addition to all the news, the Thrice-a-Week World furnishes the best serial fiction, elaborate market reports and other features of interest.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer this unequalled newspaper and the Clarksburg Weekly Telegram, together one year for \$1.05.

### Blockades and Bazaars.

A Chance for Northern Farmers. Are you tired of our cold northern winters, with their sickness and disease?

Are you tired worrying over the danger of a crop failure and consequent financial ruin?

Are you tired of working hard all season without a fair financial return on your efforts?

Do you want to avoid all this, and live in a country where the air is always balmy and the climate healthy; where crop failures are unknown and financial troubles vanish; where land can be bought cheaply and taxes are almost nothing; where churches and schools are plentiful and the country thickly settled?

All of these advantages can be secured along the lines of a double tracked railroad, and with the greatest markets in the United States at your very door.

A postal or letter addressed to the undersigned will bring you FREE OF CHARGE, descriptive matter and full particulars.
